

# sipho mabona's origami

by pleatfarmer on September 23, 2009

<http://www.pleatfarm.com/2009/09/23/sipho-mabona-origami/>

Check out this gorgeous stopmotion animation created for [Asics](#) with an all paper origami cast.

The artist behind the paper genius is [Sipho Mabona](#), renowned in his native Netherlands and the world for his sophisticated origami skills, from tessellation lampshades to inflatable puffer fish to a large-scale gallery space. More of his works and origami animations after the jump.
